

# VENTOUX 2019

## BLEND

50% Syrah, 30% Grenache and 20% Mourvedre.  
Grenache and Mourvedre are almost hundred year old.

## TERROIR

Parcels all across the Ventoux and in the Dentelles de Montmirail area, mostly in altitude (250-400 meters)

## WINE MAKING

2019 is a remarkable year. A vintage of heat but good balance. Which leads to concentration and savory texture. Grapes were harvested in a perfect sanitary state. Both technological and polyphenolic ripeness were close to perfect.

Grapes (Grenache & Syrah) were cofermented for more complexity. Vinification and ageing in concrete tanks.

## AGEING POTENTIAL

Drink now, can be kept until 2023/24

## SERVICE 15 °C

## FOOD PAIRING

Spicy Porc ribs - Satay chicken skewers - Valencian style Paella  
Steamed sea eel with black soya and garlic

Aromas of spiced cherries, thyme, lemon zest and olives. It's medium-bodied with sleek, fine-grained tannins. Juicy and flavorful with a spiced, savory finish. Drink or hold.
